Govt agree with the Dy Comr that it would be impracticable & undesirable to levy fees from the private classes who avail themselves of the Nussapankhanas; and impracticable to introduce a regular system of registration of halts in these charitable institutions T.P.

GOVERNMENT OF MYSORE

Deputy Commissioners Office
Hassan District.
Dated, Hassan, 14 June 1893.

From,

P. N. Purnaya Esqre
Deputy Commissioner,
Hassan District.

To

The Chief Secretary to the
Government of Mysore
Bangalore.

Sir,

Adverting to para 36 of
Government Proceedings No 4720-43 / 27.193-92
Dated 23d September 1892, Conveying
instructions for the issue of
Bungalow Books for the 3d Class
Travellers Bungalows and Dhoa-
-ferkhanas, where none at pre-
sent exist yea, I have the honor to
submit that for all the 3d Class
Bungalows, Books have already

been

been supplied and fees levied and credited for halts exceeding 24 — hours as observed in para 23 of the Proceedings under reply. —

2 — As regards the registration of the halts in the Musaferkhanas, I beg to state that the object of having Constructed Musafer- -khanas is to afford accommoda- -tion for the travelling public of the poorer classes in asmuch as they cannot afford to pay fees.

3 — In both of these Institutions there are sweepers appointed and paid out of District Funds. —

4 The registration of the halts in 3d. Class Bungalows are made then and there by the persons occupying the same who are in almost all cases literate. But the registration of the same

as

in Dhusaferkhanas cannot be obtained as in many instances persons halting there, are generally illiterate and the sweeper or watchman as the case may be, employed is likewise so. A separate Munshi will have to be appointed and paid for if the registration is insisted upon. If fees are chargable to Dhusaferkhanas, I beg to know if it is to be as per scale in force for the occupation of 3d class Bungalows.

5— I beg you will be good enough to obtain orders of Government in the matter and whether Books are to be supplied to the Dhusaferkhanas also and the registration of halts &c made as in the case of Bungalows.

I have the honor to be,
Sir,
Your most obedient servant;
M Ruttonjee
Deputy Commissioner
Kaira District

Letter from the Dy Comr of the Hassan District dated 14th June 1893 No 1207, submitting the explanation called for in Para 36 of Govt Proceedings dated 23rd September 1892 in regard to the regular system of registration of halts in the 3rd Class Travellers Bungalows and Musafarkhanas in the District.

Order thereon

Note.

Govt in Pro 4720-43/192 dated 23rd September 1892 remarked that Bungalow books should at once be supplied to all Travellers Bungalows & musafarkhanas & that Dy Comrs shd see that halts by & fees from the travelling public are invariably entered therein? (para 36 of the Pro?) The remarks were made in connection with the list of Traveller's Bungalows embodied in para 35 & the omission in that list, of figures for 2 Bungalows. I do not think (considering the context that Govt seriously meant to order that a regular system of registration of halts & collection of fees should be introduced in musafarkhanas though the Dr Comr not written justification construed the above passage in that fashion & states that the poor and illiterate classes who avail themselves of the musafarkhanas cannot be expected to write their names in the books nor to pay fees. WJ. JP.

The word "Musafarkhanas" was inadvertently used in para 36 of the Govt Pro of 23rd Sept 1892. NB

Government agree with the Dy Comr that it would be undesirable to ~~levy~~ need be collected fees from the ~~poor~~ persons ~~classes~~ who avail themselves of Musafarkhanas ~~and~~ nor Dak Bungalows ~~which are supplied~~ ~~impracticable to introduce~~ to them—

a regular system of registration of halts in these charitable institutions.
